

WAC MEETING AND DUES

WACUG holds joint meetings with OP-CUG which are generally scheduled for the third Saturday of each month at the Osher Lifelong Learning Institute, 4210 Roberts Road, Fairfax, VA. Our service tables open at 12:30. Meetings start at 1:00 PM, and run to 3:30 PM. We strongly suggest visiting our web site:

www.wacug.org/

or calling the WAC AnswerLine at 703-370-7649 to confirm the date, and time before leaving for a meeting. These resources also have information on discussion and demonstration topics for each meeting.

Meetings are open to the public. Directions for alternate locations will be found on the web site. For details on joining WAC, visit our web site for the membership benefits, application form and dues information. Contact us at:

KNOWLEDGE + EXPERIENCE
=
REAL PC POWER!

With personal computer technology advancing at a furious pace, it seems hard to keep up. Whether you are a first user or an old pro, Real PC Power comes not from the latest technology, but from your capability to get the most out of your PC hardware and software investment – and that takes knowledge and experience!

WAC USER GROUP
=
KNOWLEDGE + EXPERIENCE

You can get knowledge by reading PC documentation and experience through trial and error, – but why not save lots of time and money! How?

Join the
Washington Area Computer
User Group

Take advantage of expertise available in all areas of personal computing!

- Personal Productivity and Financial applications
- Telecommunications and Internet
